

EVERGREEN ACADEMY

Educating Students...Training Leaders...Commissioning Warriors

Discipleship at Evergreen Academy

At Evergreen Academy, discipleship unfolds throughout the school setting, extending beyond the confines of the classroom. It commences with our dedicated faculty and staff, all united in their commitment to Jesus Christ. We firmly hold that academics and discipleship are interconnected, and that even at a young age, students can grasp the teachings of the Bible and its principles. Consequently, the Bible is seamlessly weaved into every aspect of education, fostering holistic growth in students—spiritually, academically, physically, and socially/emotionally—by imparting the truths found in the Bible. Biblical mentoring invites students to “go and make (train) disciples teaching them all that Jesus taught” which is Christ’s Commission found in Matthew 28:18-20. **We aspire for our students to be disciples of Jesus Christ who “DISCIPLE-MAKING DISCIPLES.”**

How Do We Disciple Our Students?

In order to provide transformational discipleship, we use God’s inerrant Word as our guide for educating, training, and mentoring which results in students being “Commissioned Warriors” to advance the cause of Christ in their generation. Our “EDUCATE, TRAIN, COMMISSION” discipleship model is the strategy that Evergreen Academy uses to achieve this objective.

We EDUCATE

Evergreen Academy was established with the fundamental conviction that the Bible is the most important document and holds significance across all facets of life, including academic pursuits. Guided by this conviction, we prioritize imparting to our students the knowledge of the Bible, foundational doctrines, and the principles of Christian living. While dedicated Bible classes and chapels serve as focal points for this instruction, we also seamlessly integrate biblical teachings across all classroom settings.

We TRAIN

At Evergreen Academy, our dedicated faculty, including teachers, coaches, and staff, are passionate followers of Jesus Christ who are committed to training and mentoring our students. They seize the chance to impart knowledge in their specialized fields while nurturing each student's faith. This committed team actively builds meaningful connections with students, fostering an environment that naturally teaches character, leadership, and a Christian lifestyle, guiding students to serve God and others. Beyond the classroom, our comprehensive commitment extends to every facet, including athletics and extracurricular activities. Here, students gain valuable opportunities to develop leadership skills, discover their unique gifts, articulate the gospel, and engage in meaningful acts of service—a testament to our holistic mentoring approach, both within and beyond traditional academics.

EVERGREEN ACADEMY

Educating Students...Training Leaders...Commissioning Warriors

He COMMISSIONS

At Evergreen Academy, fulfilling Jesus's mandate to "Go therefore and make disciples of all nations" (Matthew 28:19 ESV) is not just a verse; it is the core of our mission, ingrained in everything we do. Discipleship serves as our primary strategic approach, shaping the next generation to carry the gospel and emerge as leaders in various fields, all in service to Christ. The significance of EA's students embracing God's commission extends beyond their individual faith; it becomes a transformative force in their lives with far-reaching impact. As ambassadors of Christ, EA students will deepen their relationship with God and serve as catalysts for positive change in the world by advancing the cause of Christ in their generation. This commitment sets in motion a ripple effect across time and space, contributing to a timeless legacy of faith for future generations, ensuring the enduring impact of the gospel in the world.

What discipleship moments can you expect to see between staff and students at Evergreen Academy?

At Evergreen Academy, we prioritize relationships because we believe it is in these connections that God orchestrates the most profound discipleship experiences.

- Acknowledging students on a first name basis as they pass in the hallway
- Leaving notes of encouragement on desks and in the classroom
- Displaying a genuine interest in learning each students' story
- Helping students identify their unique God-given gifts and callings
- Assisting and praying with students as they work through personal challenges
- Stopping to pray with a student
- Correcting a student with restoration in mind
- Celebrating a student's unique "design by God"
- Consoling and praying with struggling students
- Adults modeling the joy that comes when we live a spirit-filled life centered on Christ
- Facilitating God-honoring conflict resolution between a group of friends and peers
- Staying after school to help a student understand difficult concepts.
- Reminding students of their complete worth and value as a child of God.

EA's Commitment: Our commitment is a high quality, well-rounded, rigorous academic and spiritual program, enveloped in a culture of discipleship, anchored in God's word resulting in a Kingdom education.
